++ Valid for broadcast between 1800 and 0600

Headline:
South mainly dry on Wednesday, rain in the north.

This Evening and Tonight:
Cloud and rain clearing eastwards during the evening to leave clear spells and a scattering of showers, these largely across the Highlands and Islands. Southwest winds strengthening.

Wednesday:
Southern and eastern Scotland mainly dry with some brightness, especially in the morning. Wind and rain in the far north spreading southeastwards through the afternoon and evening.

Outlook for Thursday to Saturday:
Cold snap Thursday, early Friday, with blustery showers, wintry over hills, and strong northerly winds. Turning drier late Friday, then milder Saturday as winds back southwest, pushing rainbands across country.
